POSTAGE STAMP

P.S. - I have to say that you're officially for my package, and I'm sure you'll like it.

Hiya folks,

Now it is Saturday night - and do I have a date and am I going to a show some where? - I do not and I am not! - Altho there is a show on tonight but I can't again! We have our out door movie operating over here with about 3 shows weekly - but as of yet I haven't been once since moving to Sandus - the two shows sold when our tent is fixed up so nice & comfortable.

At least we had a little mail arrive yesterday and today! yesterday I got a letter from Daddy, Marion, and Phyllis & they along with two boxes! - one from Sister with all her nice goodies and my socks (stuffed socks, I believe) and a box of hushys from Fred! - Today - a package from Sister containing some nice silver hair! - I'm led to believe I might at last have a use for the hair towards the end of the month. The socks are just a wee bit large - but think they will be nice & comfortable anyhow and as for the candies - well - I don't have to tell you about how well they were received - do I?

Tonight we are really feasting - We bought an old hen & fat for a chicken so I made me an oven and right now the old bird really is beginning to smell scrumptious! - Can hardly wait! Little best it means

W. MAIL

Bye & lots of love, Frank
